ANNUAL REPORT

For the Year ended 31st March, 1928.

THE Board of Management has pleasure in presenting this, its Fortieth Annual Report for the year ended 31st March, 1928.

The work of the Hospital shows a slight increase in the In-Patients' Department and decrease in that of the Out-Patients' Department as compared with the previous year. The figures are as follows:—

	This year.	Previous year.
In-Patients—	189	185
Operations	198	211
OUT-PATIENTS—	217	283
Attendances	1356	1640
Operations	15	25
Examinations	42	74

Particulars of the operations appear in Appendix "A."

At the last annual meeting, Mrs. A. J. Atkinson was elected President of the Hospital. The interest taken by Mrs. Atkinson in the medical charities of the City is well known, and it is particularly pleasing to those connected with this Hospital that she has consented to associate

herself with it and its work in this prominent way. Mrs. Atkinson has shown by her interest in the Hospital that her acceptance of the Presidency is not a mere matter of form. The Board has been glad to have her active interest in its work, which it hopes will be maintained and increased.

During the year, Dr. Turton, who for many years was the honorary consulting physician of the Hospital, resigned, his resignation being consequent on his retiring from practice. The Board desires to record its regret at his resignation, and to express its appreciation of his services to the Hospital.

The question of new premises has been much under consideration. Early in the year it was thought that suitable premises had been found in a convenient situation on the Beverley Road. An offer for the property in question was made and accepted. Unfortunately it was ascertained that there were restrictive covenants affecting the property which prohibited its use for a hospital, and it was thought wiser not to proceed with the purchase. Various other properties have been considered, but so far nothing has been offered which seemed entirely suitable.

As usual, the Hospital is indebted to numerous friends for special efforts to raise funds for its benefit. In August, Mrs. S. Powell organised a garden party at The Bungalow, Cottingham, which realised £75. Unfortunately the weather was about as unsuitable as possible, and under the circumstances the financial result was entirely satisfactory. The Board is greatly indebted to Mrs. Powell for all her work, which must have been heavy, in connection with this event.

The Old Girls' Association of The Convent of Mercy promoted a Whist Drive which resulted in £27 10s. od. being handed over to the Treasurer, the Hull Ladies' Golf Club

another Whist Drive which realised £30, Mrs. Harland gave a Bridge Party at No. 381 Beverley Road, which produced £11, the Patrington Women's Institute a Whist Drive which produced £6 5s. 6d., and a Dance at Powolny's Restaurant, organised by Miss Olga Fisher, which was very successful socially, realised £17 12s. 1d. Bridge Parties were organised at the Guildhall, one by Mrs. Robson, which realised £30 12s. 1od., and one by the Ladies' Committee, which realised £69 5s. od., and from the Hull Amateur Operatic Society a grant of £20 was received. Mrs. Ostler has also sold home-made jam on behalf of the Hospital, raising in this way £26 16s. 6d.

The Board are deeply sensible of the very material help received from the Hospital Sunday Committee, which this year amounted to £185.

As a result of the Annual Pound Day organised by the Matron (Miss Naylor) in November, the Hospital received £31 2s. od. in cash and 900 lbs. in kind.

As before, Messrs. T. J. Smith & Nephew, Ltd., kindly supplied free of charge general dressings to the value of £10.

To these, and all other donors whose names appear in the Financial Statements and in Appendix "B," the Board tenders its hearty thanks.

H. J. GOSSCHALK,

8th June, 1928.

Chairman.
